An Introduction to Organizing Your Digital Images with Memory Manager Software:

Date: Saturday Sept. 22nd from 3-4 pm

Location: Elegant Images Studio/ 41 Simms Street San Rafael/ 415-457-2202

Fee: no charge Class size is very limited and requires pre-registration

This class is for anyone that has difficulty keeping track of their digital images and who is looking for an easy to use system. This one hour class and demo will familiarize you with *Memory Manager Software* and show you what it can do. In addition to helping you organize and easily locate you digital images; Memory Manager Software can enable you to easily enhance your images, and plan and design gorgeous easy-to-make albums. Unique features include extensive journaling options, search by timeline, keyword, label and move with batch options, automatic backup of your images. This class is PC users only.

“How to Organize and Archive Your Old Photographs”:

Date: October 8th from 6:30-9 pm

Location: Tamalpais High School Mill Valley

Fee \$29 plus materials fee of \$35.

This workshop will get your old family photographs out of those shoeboxes and into an archival easy-to-use filing system. Bring up to 400 photographs size 5x7 or smaller.

It is recommended that you bring a family tree to class and presort your photographs by family. Archival file boxes and packaging materials will be supplied.

“Organize and Archive Your Photographs” Workshops
