The screenshot shows the WorldCat interface for the book "Marin County, California cemetery records". The author is Catherine Lutes Gowdy, published by the Marin County Genealogical Society in 1983, 1993, and 1999. The format is a print book in English. The page includes a "Find a copy in the library" section with a search box for location 94903. The results show the San Rafael California Family History Center as the nearest library, 2 miles away. A sidebar on the right lists nearby libraries, including Marin County Free Library and Civic Center Library.

One could also go to  WorldCat* at <http://www.worldcat.org/> and do a search for a book or microfilm to see if there's a reference to the **MCGS Library**.*

*Then visit the **MCGS Library** at 220 San Pedro Road, San Rafael at the Family History Center! It's a nice library.*

* Note: For various reasons, sometimes a publication on WorldCat is missing the reference to San Rafael California Family History Center (MCGS has 2241 items, 1419 of those on FHL, 694 at WorldCat). But having the FHL Catalog # will enable you to locate an item at the MCGS Library. More MCGS items need adding to FHL.
